CAROLINA "QUALITY" SOFT SHELL PECANS

While yield of our groves this year is disappointing, the quality (flavor, coloring and size) is unusually superior. Harvesting and curing process is progressing satisfactorily under favorable weather conditions and shipments will commence about 15th November. We hesitate to send announcements for fear of being oversold, but it is our desire first to take care of our regular customers as far as possible. We suggest that reservations be made early.

PRICE LIST

"Stuart": This has proven to be the favorite of all pecans for general use, price considered, it being a large, handsome soft shell nut, full of rich meat and easily cracked and extracted: 2 pounds $1.50; 5 pounds $3.25; 10 pounds $6.25; 50 to 100 pounds @ 60c per pound. Cartons sealed sanitary and insured.

"Schley": This is the very thin "Paper Shell" nut regarded by some epicures as the choicest of all pecans for table use, being very rich meat and delightfully flavored. Quantity being limited the price is $1.00 a pound in 1¼, 2½, 5 and 8 pound cartons.

Transportation: Prices include prepayment of postage, express and insurance of safe delivery.

C. O. D.: Cartons may be shipped 'Collect' if preferable.

Gift Packages: may be sent direct from us with cards.
